9/19/2017

- Reading strategies: Runners or Unraavel
 - > Add what paragraph they found the answer in the "s" for Runners
 - > Model expectations
- Math strategies: Unraavel or Cubes
 - > Cubes needs "reread question" and make sure we explain how to "double check"
 - Model expectations
 - > Math powerpoint
- Case 21: Scores did not come back yet but the tool does show a predictor score
- Bring in any tests next week to start using the PLC data analysis forms
- Fun friday: team fourth grade activities around 2:15
- ❖ We will begin using the New PLC form next week. Hopefully, BOY data will be in.
- ❖ Bye!

9/26/2017

- Class Data score sheet
 - > Gordon will create a sheet for math to track data
 - > Add in EOG assessment questions (schoolnet)

10/3/2017

❖ Case 21

10/31/2017

- MTSS Process children
- ❖ READ 3D code of ethics
- Nurturing groups :
- Strengthening Student Engagement: What Do Students Want Article
